RE: ANR Vehicles – Insurance, Incident Reporting, Emergency Services

This letter is to inform UC ANR employees of the procedures they should follow in the event of an accident or urgent maintenance need while driving an ANR vehicle. An ANR vehicle is defined as any vehicle that is owned or leased by the Division. Please maintain a copy of this letter and all its attachments/supplements in each car that meets the above definition. These procedures do not apply to county-owned vehicles or those rented from a UC campus. Use the procedures from the County or campus fleet services for those vehicles.

Insurance:

*UC-owned vehicles* are covered by the University’s self-insurance program, which provides coverage for officers, employees and agents (formal volunteers) of the University while acting within the course and scope of their employment or volunteerism. Coverage is provided for activities that are scheduled, sponsored, and supervised by the University. More information on University insurance programs this can be found at [http://ucanr.edu/risk](http://ucanr.edu/risk). Supplement A of this document is a copy of the Certificate of Self-Insurance, and includes the address for ANR Risk & Safety Services, where claims can be sent.

*Leased Cars from Enterprise Fleet Management* are insured through Enterprise, therefore any claims involving these vehicles need to be reported to:

- **Enterprise Risk Management Program**
  - Phone: (800) 325-8838
  - Policy: L390751

**Accident/Incident Reports:**

In the event of an accident, first ensure that everyone involved is safe and receiving the appropriate medical attention as needed. Within 48 hours of the accident, please complete Supplement B “ANR Incident Report”. Fill out all sections that pertain to the accident without including opinion or speculation. If a police report is made, please provide the report number, officer name/badge number, and law enforcement agency. If possible take pictures or video (such as from a cell phone) of the surrounding area, vehicle(s), and property involved in the accident and any observed damage. A diagram of the scene can also be provided to help
explain the accident (Supplement C). Please send any incident reports, attachments, and/or photos/videos to Risk & Safety Services: care of Linda Harris or Brian Oatman (olaharris@ucanr.edu or baoatman@ucanr.edu).

If an ANR employee is injured in the accident, fill out the UCD Employer’s Report of Occupational Injury or Illness (Supplement D) and submit this form to ANR Staff Personnel Unit (anrstaffpersonnel@ucanr.edu).

Additionally, the California DMV SR-1 “Accident Form” (Supplement E) needs to be filled out if one of the following conditions is met:

- There was property damage of an estimated value more than $750, or
- Anyone was injured (no matter how minor), or
- A fatality occurred.

NOTE: ANR drivers of a UC-owned vehicles (ANR vehicles & those rented from a UC campus) are exempt from filling a DMV SR-1 (California Vehicle Code, Section 16000, Paragraph (b))

If you were driving a UC-owned vehicle and receive a request from DMV or a law enforcement officer to complete an SR-1 form after an accident, please respond that you were driving a University vehicle on official University business and that the University is exempt from the filing requirement. Further inquiries may be forwarded to ANR Risk & Safety Services at (530) 750-1263 or emailed to: olharris@ucanr.edu or baoatman@ucanr.edu.

As applicable, each driver of a personal, leased, or rented car involved in an accident meeting the criteria defined above must make a report to DMV within 10 days, no matter who caused the accident, even if the accident occurred on private property. Mail the completed report form to DMV at the address on the form. Also send a copy to: olharris@ucanr.edu or baoatman@ucanr.edu.

Safety:

All employees that drive for business should receive some type of safe driver training. ANR Risk & Safety Services has identified or developed several resources for safe driver training which can be found at: http://safety.ucanr.edu/Programs/Driver_Safety/
